Cheryl grew up in Williamsport, MD on a farm. Her passion was to work with special needs children. In the summers while teaching, she worked as the Recreation Director of the Yogi Bear Campground in Williamsport, MD. This was the beginning of an amazing career managing campgrounds. Cheryl has also managed parks in Robisonia, PA, as well as Yogi Bear Campgrounds in Ashland, NH, and in Bloomington, IN. Somewhere in the middle, Cheryl worked as the Education Director of ARVC.

Cheryl volunteers with South Louisville Community Ministries and is a teacher at the National School of RV Park and Campground Management.

Knowledge is such a terrible thing to keep to yourself... so why not share it?
